Averages: Entrants will use their highest final USBC sanctioned league average for 2023-2024 season with a minimum of 21 games unless a bowler's average as of January 1st is 10 or more pins higher than last season's (minimum 21 games) final average. Then the bowler must use his/her highest average as of January 1st, 2025. If no acceptable 2023-2024 average, use highest current sanctioned league average with a minimum of 21 games effective January 1st or upon reaching 21 games after January 1st. Sport league averages must be adjusted per rule 203/205. All others bowl scratch-based on 230 for all bowlers. Summer league averages are not acceptable. **Must use average verification form to insure correct average before bowling any events.**
