

Averages: Entrants will use their highest final USBC sanctioned league average for 2021-2022 season with a minimum of 21 games unless a bowler's average as of December 1<sup>st</sup> is 10 or more pins higher than last season's (minimum 21 games) final average. Then the bowler must use his/her highest average as of December 1, 2022. If no acceptable 2021-2022 average, use highest current sanctioned league average with a minimum of 21 games effective December 1<sup>st</sup> or upon reaching 21 games after December 1<sup>st</sup>. Sport league averages must be adjusted per rule 203/205. All others bowl scratch-based on 230 for all bowlers. Summer league averages are not acceptable. **Must use average verification form to insure correct average before bowling any events.**
